Criterion- 7 Institutional Values and Best Practices

7.1.3. Quality audits on environment and energy regularly undertaken by the Institution. The institutional environment and energy initiatives are confirmed through the following:

1. Green audit / Environment audit
2. Energy audit

Clarification

I do hereby clarify that we have not conducted the Green and Environment and Energy Audit from any recognized auditing authority such as Government / Govt. recognised organisations, University departments, recognised /certified non-profit NGOs due to insufficient financial resources.

But we are looking forward to take initiatives in terms of Green & Environment and Energy Audit for the better assessment on environmental and energy usage in the college.
