AYN RAND'S CAPITALISM WITH REFERENCE TO *ATLAS SHRUGGED*: A CRITIQUE

Dr. Lohit Kumar Roy

Abstract:

An attempt has been made on how Ayn Rand's projects her contesting philosophical ideas on Capitalism in today's fanatic development in the field of technology and socio-economic upliftment. The focus is to insight on how Ayn Rand presented her ideas on laissez-faire capitalism and posits her point of view on how it can be developed. She expresses the advocacy of reason, individualism, and capitalism and tries to depict how the Governmental coercion can be seen the failure in the so-called free market. In this connection, Ayn Rand's "Atlas Shrugged" has been taken up for the study in this paper.
